

WORKSKIFF®

Aluminum Boats for Severe Service

M SERIES 19' - 23'

The **M SERIES** boat is built on a medium V 13 degree dead rise aluminum self-bailing hull, making it an excellent choice as a general purpose utility boat. It has great maneuverability, low freeboard and solid stability making it one of the top choices for the U.S Navy's oil spill response program. We have sent this boat all over the world from the jungles of Panama to the Navy harbors of Japan. Everywhere it goes, it has earned a reputation for solid performance in some of the world's harshest environments.

The **M SERIES** can be outfitted with a center or side console, T-Top console, walk-around pilot house or windshield, and it can be outfitted it with a variety of standard or custom accessories.

- **RUGGED**
- **SELF-BAILING**
- **FOAM FLOATATION**
- **TRAILER-ABLE**
