

# WORKSKIFF®

Aluminum Boats for Severe Service

## S SERIES 22' - 28'

Built on a deep V hull, the Workskiff **S SERIES** features an 18 degree dead rise self-bailing hull engineered to provide excellent maneuverability and a soft stable ride. With its deep V hull design, the **S SERIES** has earned a strong reputation for rugged and durable performance for law enforcement, diving operations and general purpose marine work with organizations like Kiewit General Construction, the Army Corp of Engineers, the U.S. Navy and the National Parks Service to name a few.

The **S SERIES** can be outfitted with a center or side console, T-Top console, walk-around pilot house or windshield, as well as a variety of standard or custom accessories.
